On wind and weak stomachs

We're still getting mail from readers who are too shy to buy our mag because salespeople in bookstores look at them funny, their moms get mad about it or their girlfriends or boyfriends are scandalized by it. Well, some things never change. All throughout time, there have always been people who try to discourage others from looking at what they dislike in magazines and keep on talking about the filthiness of the sexual revolution. But for the love of God, who in their right mind wants sterile, antiseptic sex? That idea's pretty perverse, so much so that you're better off being a sicko. We shouldn't let anyone trick us: the dirtier and more furious the sex, the better, and anyone who can't see that is just bitter or impotent. It's very clear: as rational as we may think we are, in the strictly biological sense we're nothing more than animals, and there's no such thing as an animal who resists the prospect of a little in 'n' out action with another animal who really gets them going. Therefore, we try to be as filthy as we can be, because that's the only way to really honor Mother Nature. We constantly try to be as nasty as possible, and here's proof of that in this issue: De Haro throws himself into the mix fearlessly with his story *Sex Machine*, Ryp and Brooks leaf through the sinful pages of *Karol's Diary*, Ferocius hits the *Open Road* with the most intense feminine passions, and Marcelo Sosa and Hernán Migoya offer us a heapin' helpin' of their sizzling

hot and exotic *Asia*, an interview with whose sensational Argentinian artist is included in this issue. And that's just the beginning of the best parade of explicit sex, beautiful bulges and hilarious adventures that you've ever seen. Enjoy yourselves, and don't let anyone poop on your party!

An Indecent Proposal

by NOË

YOU'RE NOT GOING FOR LUNCH?

AH! WHAT A COINCIDENCE. I SAW ONE OF HIS MOVIES YESTERDAY. HE WAS A MAGNATE WHO OFFERED A GIRL A MILLION DOLLARS TO SLEEP WITH HER.

YEAH, I SAW IT! WHAT A GOOD MOVIE!

NO, I WANT TO FINISH THIS ARTICLE ON ROBERT REDFORD.

I DIDN'T LIKE IT. WHAT WAS THE CONFLICT IN THE STORY? IT WAS OBVIOUS SHE'D ACCEPT. THE GUY SHOULD HAVE BEEN MORE DEMANDING.

WHAT'RE YOU SAYING?

WOULD YOU SLEEP WITH A HANDSOME, SOPHISTICATED STRANGER WHO OFFERED YOU A MILLION DOLLARS TO DO IT?

OF COURSE!

SURE! THAT'S WHAT I SAY! THE STORYLINE'S STUPID. BUT IT'D BE SOMETHING ELSE IF HIS DEMANDS WERE GREATER.

FOR EXAMPLE, IMAGINE FOR A MINUTE A MILLIONAIRE WHO GROSSED YOU OUT. HE'S NOT AS HANDSOME OR SOPHISTICATED AS ROBERT REDFORD.

WOULD YOU ACCEPT A PROPOSAL FROM A GUY LIKE THAT?

NO DOUBT! I CAN TELL YOU'VE NEVER MET ANY OF MY BOYFRIENDS...

BUT THAT WOULD ONLY BE THE BEGINNING... SUPPOSE THIS MAN ALSO WANTED TO CHOOSE THE HOTEL WHERE YOU'D MEET AND THE LINGERIE YOU'D WEAR FOR THIS OCCASION, TOO...

AHA... I GET IT...

BUT THE LINGERIE'S REALLY VULGAR, TRASHY, SO SLUTTY THAT YOU HAVE A HARD TIME IMAGINING THINGS LIKE THAT EXIST. AND THE CORSET BARELY LETS YOU BREATHE.

...AND HE BUYS YOU THESE ABSURDLY DESIGNED BOOTS, A SIZE TOO SMALL, ON PURPOSE.

AND IF HE MADE THESE CONDITIONS, WOULD YOU ACCEPT AS EASILY?

YES, I'VE DONE WORSE THINGS TO FEEL ATTRACTIVE.

AHA... BUT THERE'S MORE.

YES, THAT WOULDN'T BE ANYTHING NEW. ALL THE MEN I'VE BEEN WITH MARKED ME. AND I LOST MONEY WITH ALL OF THEM...

THIS MAN WANTS TO MARK YOU LIKE LIVESTOCK TO SEAL THE DEAL. HE WANTS TO TATTOO HIS INITIALS BENEATH YOUR PUBIC HAIR. NO ONE WILL SEE IT, BUT YOU AND HE WILL KNOW THE TATTOO'S THERE. SO TELL ME, WOULD YOU STILL ACCEPT?

AT ANY RATE, HE'D DEMAND OTHER THINGS. NOT ONLY WOULD HE BRAND YOU AND DRESS YOU LIKE A WHORE, HE'D EXPECT YOU TO ACT LIKE ONE AS WELL.

OH... I DIDN'T KNOW...

MNNNN...

YOU'D HAVE TO BE CAREFUL TO MOVE PERFECTLY, SOFTLY, SENSUALLY.

YES! YOU'D HAVE TO MOAN LIKE A DAMN DOG IN HEAT.

WHETHER YOU LIKE IT OR NOT, WHETHER YOU CUM OR NOT, YOU HAVE TO MOAN AND THRASH WITH PLEASURE LIKE A DOG IN HEAT.

SORRY... I WAS JUST GIVING AN EXAMPLE... IF THE MONEY WEREN'T GOING TO BE YOURS, WOULD YOU ACCEPT? HUH?

OH YEAH? BUT THAT'S JUST THE BEGINNING. THE DESIRES OF THIS MISERABLE MILLIONAIRE GO FARTHER ...

IN REALITY, THE BIG PERVERT WANTS TO KNOW HIS LIMITS.

SO MORE THAN DEMANDING THAT YOU ACT SEXY, AND THAT YOU SHOW PLEASURE, HE OBLIGATES YOU TO LIE WHILE HE SODOMIZES YOU...

AAH!
YESS!
MORE!

...KIND OF BRUTALLY...

...AND HE DEMANDS YOU ACCEPT PUNISHMENT...

...A FEW
VIOLENT
HABITS...

AAAAH!
YESS! BEAT
ME MORE!

HMMM! OH, NO! NO...
I'M TRYING TO IMAGINE
A REALLY HUMILIATING
SITUATION AND I CAN'T...

SO WHAT DO YOU SAY
NOW? WOULD YOU
ACCEPT?

YES, WE'RE TALKING
ABOUT A REAL
MONSTER...

WELL, I DIDN'T THINK
WE'D GO SO FAR...

...NO ONE'S EVER
DONE ME LIKE THAT,
BUT FOR SO MUCH CASH,
I THINK I COULD DEAL
WITH A BIT OF PAIN.

AHA...VERY GOOD... EEH...
SURELY YOU'RE SELLING
THE SANCTITY OF YOUR
RECTUM AT A HIGH PRICE,
BUT THAT'S NOT ALL,
YOU'D LOSE EVEN MORE...

HE'D WANT YOU TO DO THE SAME THING WITH A FRIEND OF HIS...

GET IT? THERE'D BE TWO! YOUR SUFFERING WOULD BE DOUBLE!

HE'D ASK FOR TWICE THE PLEASURE AND YOU'D GET TWICE THE PAIN.

flop
flop
flop

OH!
YES! YES!
MORE!

Grek

AND THEY'D MAKE YOU SUCK THEIR COCKS...

AND THEY'D MAKE YOU...
SORRY, I DON'T
MEAN TO BE
GROSS, BUT I
DON'T KNOW
HOW ELSE
TO SAY IT...
THEY'D MAKE
YOU SUCK
UNTIL THEY
CAME IN YOUR
MOUTH!

OR
THERE'D BE
NO DEAL!

...THEY'D BE REAL SONS OF BITCHES!

WHAT
ANIMAL
DESIRES!
I THINK
WE'VE
GONE
TOO
FAR...

I DON'T DARE ASK YOU IF
YOU'D DO THAT...

WELL... I DON'T KNOW...
I THINK FOR SO MUCH
MONEY I COULD
SWALLOW A LITTLE
CUM.

GULP!

BUT IT'S NOT JUST A FUCK AND THAT'S ALL! NO!

IT'S A
WHOLE NIGHT!
AND AFTER
THE FIRST
SCREW, THEY'D
MAKE YOU MAKE
PIZZAS!

...AND THEY'D INVITE THEIR WIVES TO COME AND EAT!
AND THEY'D USE YOU FOR A DINNER TABLE!

AND THEN
IT'D ALL
START ALL
OVER AGAIN.
BUT YOU'D
HAVE TO
SATISFY
ALL FOUR
OF THEM!

AND WITH THEIR
ENERGY RENEWED,
THEY'D BECOME MORE
VIOLENT AND NASTY!

OH NO! WHAT ANIMALS!!

AND YOU'D WAKE UP ON THE FLOOR, ALONE AND STICKY, WITH A BOTTLE OF BEER INSIDE YOU BECAUSE THEY'VE ALREADY DRUNK ALL THE CHAMPAGNE.

PLUS, THE MILLIONAIRE'S WIFE CONVINCED HIM TO GIVE YOU JUST HALF THE MONEY. AND THE OTHER WOULD TAKE THE SOAP AND TOWELS BECAUSE SHE'S LIKE THAT.

KNOWING ALL THAT, WOULD YOU SIGN A CONTRACT TO RECEIVE \$500,000 FOR THIS FRIGHTENING DEAL? WOULD YOU GIVE UP A WOMAN'S MOST SAINTLY VIRTUES FOR A FEW MISERABLE DOLLARS?

WOULD YOU ACCEPT? HUH?

YES. I'M SICK OF WORKING HERE.

OH!

THEN, FOR \$500,000 YOU'D DO ALL THAT. FOR \$50, WOULD YOU GIVE ME A HAND JOB? PLEASE?

THE END

AN UNFORTUNATE ACCIDENT

I LOVE YOU, ADRIAN.

OH DARLING .. I CAN'T LIVE WITHOUT YOU...

JULIET AND ADRIAN ARE MARRIED. COULD ANYONE UNDERSTAND SUCH A DEEP LOVE?

THEY'RE BOTH MARRIED, BUT NOT TO EACH OTHER. THAT'S THE CATCH.

MMM...

OH BABY...

GIVE IT TO ME... I WANT TO FEEL LIKE A WOMAN .. YOUR WOMAN!

OH, YOU'RE SO BEAUTIFUL!

YES...

YES, OH YES... LET'S NEVER BE APART...

ONCE
THE RITUAL'S
COMPLETED, ANY
TORTURE YOU DO TO
THE DOLL WILL HAPPEN
TO THE VICTIM ..
YOU CAN EVEN
KILL HIM.

AND NO ONE
CAN BLAME
ME...

WORKS.
ADRIAN'S ALMOST
HERE...

MMM...
OH, YES,
MY LOVE...
YOU'RE SO
GOOD!

WHEN THE PHONE RANG, SHE RAN TO GET IT. SHE THOUGHT IT WOULD BE ONE OF THE MANAGERS TELLING HER THAT HER HUSBAND WAS DEAD.

DON'T WAIT FOR ME FOR DINNER, SWEETIE. I HAVE TO COVER ANOTHER SHIFT .. ADRIAN, MY CO-WORKER, WAS IN AN UNFORTUNATE ACCIDENT THAT COST HIM HIS LIFE...

HER SURPRISE AT HEARING THE VOICE OF GABRIEL, ALIVE AND KICKING, WAS IMMENSE...

JULIET REALIZED HER TERRIBLE MISTAKE LATER. TERRIFIED, SHE REMEMBERED ...

...WHEN ADRIAN SHOWERED AT HER HOUSE, HE USED GABRIEL'S THINGS...

HIS ELECTRIC RAZOR, HIS SOAP, HIS TOWELS...

...EVEN HIS COMB.

CRAZINESS

When talking about his work, the photographer Ralf Vulis usually says that he himself is incapable of recognizing his own style after ten years of work. It's not exactly that, though, his style is one that can't be pinned down. Certainly, Vulis's work doesn't try to be anything more than it is: a compilation of happily undressed, agreeable girls. All his books are like that. I realize the guy's involved in porn, too, but I don't know if it's because some of the girls' faces are slutty in a nice, modern way or if it's because of his uncategorizable style, but a lot of times his work directly evokes photos from *Private*, although without any spermy effusions. Or maybe it's because I've only seen his work in one other place, I don't know. Vulis doesn't shy away from nudity, wide-angle lens pussy shots and snowy-white smiles, he's always concerned—or not concerned—with creating images that are healthy, spontaneous and overjoyed with revealing the human form. The *Crazy Sexy Girls* joined together here are all in black and white and deserve the photographer's total dedication, which is as intense and explosive as what the girls give of themselves. In pairs, in groups, in the great wide open, in the gym, crouching down, all dressed up, skipping around in a bus—the collection is a book in small format, hardcover and perfect for frivolous leisure time.

WARRIOR GIRLS AT REST

We might as well keep on with Vulis. *Crazy Sexy Girls* includes photos of girls staring into the eye of the lens while seated in a chair. Just them and the chair. Plenty. Well, Vulis, who I imagine sat all the girls down to test lighting and camera angles, brought together all the photos he had of these tests and pulled another book out of his sleeve. It's the simplest, most basic concept and probably the best idea he's had up to now. *100 naked girls on a chair* is just that, a hundred frontal shots of girls naked and sitting in a chair, page after page, that makes you feel, whether you want to or not, like you're searching for the girl of your dreams, who's got to be found in the parade of lips, nipples, glances, groins, fur and tiny, lovely imperfections of the skin. It's curious to see how almost all the girls push their mounds out towards the lens, with their legs open. The more they move their hips, arms akimbo, pulling their hair up above their necks, the slyer and foxier they are. Others pose with their hands on the small of their backs, others keep their arms crossed. But all of them, except for one, are laughing, or at least smiling, which seems to be the principal distinguishing characteristic of Vulis's photos. Fuck, it's beautiful. It's all done with total shamelessness: the girls arrive, undress, sit down and smile. And if their skin shows marks from the elastic of their panties, all the better. It's in black and white. (I did I mention that? And like the first book mentioned on this page, it's even more highly recommended, without a doubt.)

THE FALL OF MAN

The Norwegian **Petter Hegre**, who was one of **Richard Avedon's** assistants and who's already won a number of awards for his erotic photography, returns to the topic of *Lolitas*, which is always sure to delight, offering a new book wholly dedicated to the Russian version of the diabolic nymph. Or heavenly, if you will. Said nymph, the focus of the book, is **Katya**, a blonde with flawless skin and perfect breasts so small they'd never be able to hold up a pen underneath their juvenile buds. Hegre's ballsy, and succeeds in creating the impression that the book is an intimate photographic novel, capturing the girl's each and every private moment. Scenes are impeccably lit, the natural light is skillfully used, heating up but not overwhelming her body (she's never naked, she's always in a towel), and creating splendid textures and colors that fill the pages of the book. And you as you turn the pages. The excellent photography and the girl's this. **Katya** poses like she's masturbating, she stretches out, she weighs herself, she shines, she pouts, she smiles, she hides, she bathes, and she makes us see how beautiful she is (not extraordinarily so, but she is, still) and she drives us crazy in her little green and black striped sweater. Hegre is melodramatic, partly over-the-top like **Hamilton** and dattily sophisticated like **Andrew Blake**, but he's definitely not either of those. I don't know if this is a book or a love story, but I swear it's not more than getting you hot and bothered. *Russian Lolita* stirs up your deepest desires. It's not at all ordinary. Tremendous.

brings you the best of today's porn cinema: explosive actresses, hard n'heavy actors, movie shoots, film releases, hot festivals ...

XXX NEWS:

CHASEY GETS BUSY WITH HER FRIENDS

Despite her retirement from heterosexual porn, once in a while we get hot news about the fantastic Chasey Lain. The last addition (the sixth) to her lesbian series *Chasin' Pink* gave us the opportunity to see her play with other high-impact actresses. Lea DeMae, Jezebel Bond, Monica Sweetheart, Daisy Chain, Danielle Rush, Inari Vachs... a battalion of beauties who give into a thousand and one Sapphic pleasures in this video produced by Vivid and directed by Robby D.

At any rate, we still miss a good Chasey porn, in which she gets her just desserts with as many men come her way. Fans who also miss her excellent heterosexual fucks should have a look at some of her old films. There's nothing better than starting with the two most exciting: *New Wave Hookers 4* and *Chasey Loves Rocco*.

THE PORN OF THE FUTURE

Michael Ninn is one of our favorite XXX directors. We'd heard a lot about him...but until we saw *Perfect* we didn't believe any of it. Ninn is the king of the ultimate American porn and the director of *Sex and Latex*, masterpiece of modern hardcore of the mid 90's. He's also signed on exclusively with the production company, *Private*. The first film they filmed together is already out on the shelves and is entitled *Perfect*, which takes place in the year 2034 and evokes Ridley Scott's *Blade Runner*. The movie boasts all the stylistic signposts of the best Ninn films: videoclip-speed production,

computer graphic effects, the combination of shots in color and black and white, and fabulous casting composed of crushing beautiful girls and well-built guys: Jodie Moore (1991), Nikita Denise, Nick Manning, Julia Ann, Dru Berrymore, Krystal Summers, Mia Smiles.

At this very moment, Ninn is producing his second film, shot a few months ago in Budapest. We saw it in its entirety at the

SEX IN EUROPE

The International Festival of Erotic Cinema of Barcelona (Spain), is almost as important as France's Hot D'Or. The festival celebrated its tenth anniversary to unprecedented public (more than forty-thousand spectators attended) and critical applause. Very sexy and imaginative live shows (the best was by the French performer, Katsumi), tattooing, participation in a sadomasochistic show, and wild woman mud wrestling were on offer at the event. We had a great time, as Barcelona's a very liberal and open sort of city. Plus, several American production companies had their moments of glory at award time. For example, Paul Thomas's *Fade to Black*, named the film of the year.

Buttslimmers 20 by Bionca was recognized for having the best lesbian scene, *A Whore's Life* by Thomas Zupko was honored for best anal scene, and *Shade of Hade's*, also by Zupko was awarded best script. The other big winner was the Italian Rocco Siffredi, selected as best director and actor for his stupendous *The Ass Collector*.

GINGER RETIRES FOR REAL

At almost forty years of age, one of the most legendary actresses of all times appears to be retiring for good. We're talking about the incredible and fantastic Ginger Lynn, the mythical muse of the 80s who, at the end of the 90s, after a retirement of more than fourteen years, returned to the front line of pornographic combat with a fistful of exquisite films, such as *Torn* (2000), *New Wave Hookers 6* (2001) or *Stripped* (2002). Now, the daring blonde who swapped sweat with Traci Lords, Amber Lynn and John Holmes among many other famed actors, has decided to shoot her last film: *Sunset Stripped*. Veronica Hart's behind the camera, and the cast includes today's best: Ashlyn Gere, Jamie Gillis (another actress who just won't quit) and Sharon Kane. A great send-off to an authentic queen of X.

SUPERSTAR MISTY RAIN

The porno siren

Misty is one of the biggest names in porn. She fucks marvelously and her live shows are earth-shattering: she dances to heavy metal, she strips very naughtily, and she drips hot candle wax all over her body. Wow! She's a supreme porn actress, one of the few remaining. Right up our alley.

TOP SECRET

Misty was born in Long Beach, California, August 10, 1969. Having been born in such a libidinous year, it was clear that sex would have a profound influence on her life. As an adolescent, she grew tired of stripping in Los Angeles nightclubs such as Wild Goose and Bare Elegance and decided to go all-out and attend a casting for actresses for a porn film. Talent agent Jim South gave Misty her first opportunity in November 1992: a very hot scene in *Untamed Cowgirls 2*. And since then, she's kept on going.

A STAR'S FIRST STEPS

During 1993 and 1994, Misty threw herself into her work and participated in more than 150 pornos. She fucks with passion, she tries out all kinds of sexual practices (including light s.c.o.r.e.s.) and she takes on various pseudonyms to keep her admirers on their toes: Pierce Ringo, M. Raines. Some of the films from this first—and exhausting—chapter are *Buttslammers*, *Student Fetish Videos 7*, *Up & Cummers 4* and *A Twist of Payne*.

I LIKE IT FINE FROM BEHIND

Like any big star, Misty upped the ante of her cachet by having anal sex, an activity reserved for only the most daring actresses. She became one of the best specialists in "backdoors" of modern North American hardcore. Here are a few suggestions for enjoying her tight talents. *Anal Vision 6*, *Backdoor Magic*, *Cum Sucking Whore Named Francesca*, *Misty Rain's Anal Orgy*.

THE LESBIAN QUEEN

Misty's a real lesbian. She likes to get into body combat with other girls. Her lesbian scenes are hot, violent, and very imaginative. She was one of the favorites of directors specializing in lesbian porn such as Bruce Seven and Bionca. For them, she starred in sizable female orgies in films like *Everybody Wants Some* (Bionca Style) and an endless number of episodes of the *Buttslammers* series. Misty comments: "I love the lesbian scenes. When I fuck other girls I lose my head and I lose all control. That's why I like the Bruce Seven's videos because they star super-hardcore girls like Debi Diamond, Felecia and Adrianna, who are real sex machines."

PORN WITH STYLE

The good manners and the passion that exude from each of her performances have taken Misty to the heights of success and to working with

important American directors such as Michael Nunn and Cameron Grant, who are modern and perverse at the same time. These titles include *Sex*, *Latex 2*, *Elements of Desire* and *Fantasy Chamber*, all from the mid-90s.

DIRECTING X CINEMA

Her experience in the porn industry inspired her to direct her own X films. In the series *Misty Cam's*, the actress picks the "gonzo" genre to present scenes of hard but imaginative sex: she fucks at a birthday party, in the snow, in a cruise ship... it's all hot as can be.

BAD GIRL

No, Misty isn't an angel, she's a bad girl. She sports nipple rings, a bellybutton ring, has a tattoo of a buffalo's head, she likes hard rock and motorcycles, and she parties like crazy until the wee hours of the morning...she says: "I've always been a rebel. When I was little and my parents told me not to do something, I'd do it right away just for the thrill. I've always been incorrigible."

CHAD, MON AMOUR

Misty is a great girl, but she's got a big flaw: she has a boyfriend. His name is Chad Thomas and they've been together more than eight years. They're planning on getting married, being happy and having a bunch of kids to raise in their home in Arizona. What a shame.

Marcelo Sosa

by Daniel Ferullo

Marcelo Sosa was born 1962 in Buenos Aires, Argentina, and he's always drawn. A highly regarded illustrator, he's worked in advertising, illustration and design. His first contact with professional comics came after he won a prize at the Biennial of Young Artists in Buenos Aires and after he published work in the notable Argentinean magazine, *Fierro*. He's the author of *Thelma* with the stories written by Val, and of *Asia*, with Hernán Migoya as the storywriter. His erotic comics have been published in Europe and in the United States (*French Kiss Comix*). In the early 90s, he had a studio with Juan Bobillo, whose works include those for *Marvel: Captain America* and *Mekanix* whose story was written by Chris Claremont. *French Kiss* traveled to his studio in Buenos Aires to interview him.

How did you get involved in comics?

The whole thing got started first with drawing. Ever since I was little, I remember spending hours and hours drawing. That was my favorite game. I played other games, like everyone else, but I was happiest with a piece of paper and a pencil. I don't think anyone realizes this, but when you start drawing things in sequence, that's really the first contact you have with comics, and I think I drew like that instinctively. Maybe I wanted to tell a story that I couldn't with just one drawing. When you grow up and learn certain concepts, like those of drawing comics and like illustration, the relationship is much broader. They're called techniques, tastes, styles, trends...My first contact with professional comics was through the magazine *Fierro*, which is the most representative of Argentina, after I'd been chosen as a winner of the First Biennial of Young Artists held in Buenos Aires.

Did you read comics when you were little?

More than a reader, I was a consumer of the drawings in the comics that I put my hands on something that holds still with me to this day.

You're also an illustrator. Are you more comfortable with illustration or comics?

Actually, I consider myself more an illustrator than someone who draws comics. These media of expression are so different, but they

begin at the same point—an idea, a sketch, a technique, development—and the results wind up so different. I'm more enthralled by illustration, maybe because it allows you to put more of yourself into a single drawing and also because it was the first thing I ever did and I've loved it ever since. Comics also interest me a lot, I have fun with them, and they also have a lot of range and a more serial format. To draw comics means that you design each page and each frame (no matter the number) like an illustration.

Do you have any specific work habits?

It depends on what I have to do, each method has its benefits and its times for when it should be used. For example, I'm really thorough with developing ideas; sometimes I spend several days brainstorming, sketching it out and completing the drawing in a single day. If you're talking about habits in terms of time, I prefer working in the afternoon. I feel most at ease during the morning and night. If I'm on a tight deadline, I draw very quickly and then relax afterwards.

Do you prefer color or black and white?

What color affords you is a "landscape;" it gives you more freedom with medium tones. You've got the darkest and the lightest of shades, which on the color spectrum would be black and white. Color gives you a variety of medium tones. Working in black and white, I don't like darkening up drawings with lots of ink; I just shade with medium tones. One of the things that's changed a little in the way I work has been that *La Cúpula* asked me to start working in tones of gray. I worked in black and white and I'd already had an idea, more or less, how shadows and lines would be...when you're told you should start working with grays, it allows you to add different elements and so you think about things differently.

What differences do you find between the classic era and the contemporary period of comics?

I think that today the field's much broader as a medium of expression. Before there was just paper and ink. Now there's so many tools that the genre's expanded. This allows you to interact with other artistic media, such as photography, painting, graphic design, movie making...this enriches comics.

Based in Argentina, a country with a great tradition in comics, you're being published in Europe and the United States. How did you begin "exporting" your work?

I was a student of Ariel Olivetti and I started working as a partner of his, as much in the artistic vein as in the learning one. The experience of working with Ariel was stupendous, I learned a lot. I didn't know that much about the superhero world, but when I began drawing, there were days where we completed drawings for several series.

We did *Justice League*, *Martian Manhunter*, *Spiderman*, *Daredevil*, *Flash*, *Lobo*, *The Avengers*, *The Kingdom Come*... I've drawn plenty of males, although in the movies that I prefer drawing women. In Argentina, culturally speaking, we've got so much European influence, and this is reflected in artistic work, including when you do superhero comics. I was also working in Olivetti's studio when I met Juan Bobillo and we decided to have a studio along with Pier Brito and Val, where we'd be able to draw, create and get involved with more media. These were the times when we produced up to three American monthly comics, plus the person I work everyone had. That meant we drew, literally, everything: design work, advertising, work for books and albums, etc. And that's how the Sosa & Bobillo or Bobillo & Sosa came about.

The first thing I published in Spain was *Dalma*. Val and I sent a comic drawing completely in pencil, it was well-received and we started publishing in *Kiss Comix*.

What differences are there between American and European styles?

I like both styles; they're two very different things. I think that right now I'm seeing more of a European style in American comics and more of an American style in European comics. That's good, because it means the end product benefits from the best of each. The narrative, the action, the format are sometimes the things that differ most between the two genres. At least for me, those are the most

Andrew Loomis, Norman Rockwell, Frederick Remington and Frank Frazetta, to name a few. I wound up influenced most by Corben, and my work's gotten purer since I started working in color. I've seen the work of other illustrators, but more or less it all comes down to volume. In comics, how you deal with softness, with flesh has to do with the creating the sensation of weight, of volume.

You've named great illustrators...and your influences in comics, both the general and the erotic kinds?

Right now, my favorites and the ones who influenced me most are Travis Charest, Adam Hughes, and Scott Campbell. In erotic comics, I really like Saudelli, La Casotto, and Kevin Taylor. The character Girl's expressions are incredible. Those are the ones I like the most. I don't know how Taylor would work drawing something that wasn't erotic. He was made for that, that's for sure. La Casotto does something strange: sometimes he draws penises badly, with the head backwards (laughs).

Must be his point of view (laughs). He didn't have the right documentation (laughs)

In the beginning, I used documents to draw (laughs). In the studio, we had two million erotic magazines lying around. We'd look for ideas, and instead of drawing, we'd pass around pages and pages, saying: "Look at that, I can't believe that," we spend hours looking

important. Manga really mixes up the American and European styles and turns out really well. Having worked in both styles allows me a broader perspective when I sit down and draw, despite the demands of each genre.

When it comes to drawing, do you have any specific influences?

Keep in mind I'm not a big reader of comics. For example, I'd never bought superhero comics. What got me into comics was the magazine *Fierro*, which really influenced me. That's where I saw the work of Carlos Nine, and of Petró... Later, when I discovered Moebius and Richard Corben, I couldn't believe it. The biggest influence I had after going through lots of styles was Corben. The way he handles anatomy and volume, and light. I bought absolutely everything he did, including his divorce (laughs). Corben was the first real artist to influence me, but as I grew and researched, I discovered the fathers of American illustration like N. C. Wyeth, Leyendaker, Howard Pyle,

and then Corben. Can we think of it as 'Oh, that's enough! Let's stop. We're going to try to work without looking at anything.' Plus, when you draw someone in a pose, running, for example, you can see the difference in work using a model and one done from imagination. As the comics we do are dynamic, we can't stop at each moment, that would take us too long. It's also a matter of expression, you're not just dealing with naked girls. When you read a whole magazine of erotic comics, there's stories that strike you and draw you in and there's others that don't. There are almost flawless artists, because they know how to get into your head and get to you. It's not just the story line, but also the drawing. Altuna and Manara are two good examples. I can remember not just specific scenes from their work, but the concrete ideas.

Are you comfortable working in the erotic genre?

It's the genre I feel most comfortable in right now, because I love drawing the female figure, female nudes, expressing it,

feeling it, and I think that that's the medium in which I can express this most easily. Beyond sexual explicitness, I really like the human body. I adore the pin-up genre.

Has it helped you pick up any women?

I haven't been able to take advantage of it yet. We keep thinking that the way to get a girl is by making her a drawing of a puppy (laughs). My ex-girlfriend was really into the genre; she saw all my drawings and it didn't bother her.

Regrettably, they're drawings that I can't go around showing too much here. My mother wants to exhibit them in public, talk about them with her friends, and she can't (laughs).

My family ignores the subject of pornography. I can't remember ever having talked about pornography or gone over to my family's with a magazine of topless girls. Now things are like "Hey, I'm working with this stuff" "Oh, that's really great." But it's awkward, not something mothers can go around talking about.

How was Asia brought into being?

Asia came about after I finished the *Dalma* saga with Val. He put me in contact with Hernán Migoya and we asked each other what we wanted to do most. I suggested we do something with a medieval setting because I really like drawing things with epic themes, medieval ones especially, because they're always really rich in imagery. But it so happened that that's exactly not

Migoya's strong point. He wanted to do a parody of the Spice Girls (laughs). Later I suggested something with an Asian protagonist, as it seemed like a good character for doing something really erotic and action-related at the same time. I wanted to draw an Asian girl in leather. I also suggested things about her personality, like she should be really professional, that she should do everything coolly and calmly, but because she's got a Latina mother, she's got hot blood in her veins. That seemed like a good, interesting combination to draw up. After hashing out what we wanted, we decided on action/adventure porn along the lines of *The Matrix*. Hernán suggested I use a real porn actress called Asia Carrera as a model, and when I saw her photos, I said, "Yes!! I like that, that's how she'll look!". The project went on and that's how Asia was born. What I like most about Hernán's ingenuity is that he took advantage of a photo of Asia -the real life one- in which she was dressed and

without make up on and she looked like a Vietnamese refugee; you would never have recognized her. Hernán based the storyline on this duality, which I thought was great.

How do you work with Migoya, seeing as he lives in Spain and you live in Argentina?

I've been in touch with Hernán since I started the relationship I have with *La Cupula*. He was the one who wrote me the letter telling me they'd accepted my drawings. He still writes me letters, but now they're 7 pages long! I work comfortably with him, even though we've never met in person. Hernán sends me the story through e-mail, I read it a few times, and if I have any questions, I ask him. Once everything's worked out, I draw the episode really quickly. So far, we've worked really well as a team.

Do you ever come up with any new ideas for or changes to the story when you draw?

Yes. He writes a finished story really well, but most of the time there has to be some change, but right now things go great for us. I know if he's happy with the results and we don't have a lot of differences when it comes to the story. I consider myself an artist who really respects storywriters. If I change something once in a while, I do it so that the changes benefit the comic as a whole.

What plans or characters do you have in mind for the future?

I'm going to publish a book of anatomy for artists who draw, with my text and drawings and those of Juan Bobillo, for February. I've got a miniseries of two episodes of *Agent X* (with Bobillo), six more chapters of *Mekanix* (with Bobillo and stories by Chris Clearemont), a book with stories by Hernán Migoya, I'm continuing with Asia and, for later on, at least that's how it looks right now, I'm going to create a character with Juan Bobillo to go with stories by Carlos Trillo and if I have a bit of time, I'll watch TV.

Open Road

by Ferocius

Malcolm and Melba have finally separated. Their son Bruce could not adapt to the nomad's life they were leading. After months of arguing, Malcolm decided to go it alone with the trailer, travelling around the USA and painting the landscapes that passed before his eyes. He sold the paintings to live. But this solitary life didn't last long. A girl hid in his trailer to escape some gangster-types that were going after her. Miranda is the new companion of our travelling painter. An exciting companion, without a doubt, but maybe a little dangerous.

I FELT A TREMENDOUS SPASM THAT EJECTED MY
COCK OUT OF HER HOLE.

AAHH!!

AFTER THAT COSMIC ORGASM
SHE REALLY GOT INTO IT.

MALCOLM
I WANT MORE. THIS
IS ALL YOURS!

SHE WAS
SO HOT SHE
SEEMED TO FOR-
GET HER PROBLEMS.

THEN SHE
WOULDN'T
STOP TALKING.

THIS IS HOW
I LIKE IT!

MIRANDA WAS A STRANGE GIRL.
WITH HER INNOCENT EYES,
SHE LOOKED LIKE THE SWEETEST THING
BUT SHE LOVED TO DO THE NASTY.

YOUR ROD
IS HARD AS
STEEL. OOOH!

RIDE IT
BABY!

MMMM.
LET ME SIT ON
YOUR COCK!

I'M GOING TO
COOOOME!!

YE-YESS!
I'M GOING TO
COOOOME
AAHH!

I'M SURE THE BITCH HID
IN THAT TRAILER. THERE'S NO
OTHER EXPLANATION.

THEN SHE'S
NOT FAR FROM
HERE.

AAAAH!!
I'M COMING!

DON'T PULL OUT!
COME INSIDE ME.
I WANT TO FEEL IT!

STOP.
THAT
HURTS!

OH STEVE!
FILL ME W.TH
YOUR HOT
CREAM!

OH STEVE,
YES! FLOOD
ME, BABY!

OF COURSE! STEVE
IS MY BOYFRIEND! I WAS
THINKING OF HIM WHILE
I CAME!

AND FOR
SURE I DON'T
WANT YOUR
BABY. I'M ON
THE PILL.

WE'LL JUST WAIT HERE UNTIL
SOMEONE COMES OUT.

33

JUST WHAT I
THOUGHT. THERE'S THAT
SLUT. THIS IS YOUR
LUCKY DAY, CHIEF.

YEAH, LOTS
OF LUCK.

SHE MANAGED
TO FIND ANOTHER
BOYFRIEND. WORSE
FOR HIM.

YOU KNOW?
I'M STARTING TO LIKE
YOU. YOU'RE A GREAT
FUCK.

HA!
I THOUGHT STEVE
GOT ALL THE
CREDIT.

SHIT! THEY'RE
SHOOTING AT US!!
GET DOWN, QUICK!!

IT'S
THEM!! THEY
FOUND
ME!!

I SLAMMED DOWN ON THE ACCELERATOR, BUT THE
BULLETS WERE FASTER THAN MY OLD LINCOLN.
THEY HAD THE ADVANTAGE.

BUT NOT IN EVERYTHING. IT WAS AN ALUMINUM FOIL TOY
AGAINST A MONSTER OF IRON AND STEEL.

WATCH OUT!
HELP!!

Fock!

Fock
Fock

HELP!!
HELP!!

SWING

WHAT HAPPENED THEN WAS CRAZY. SHE WAS SIN IN THE FLESH,
TEMPTINGLY PROFANE.

WHAT'RE YOU
DOING?

HEE, HEE!
YOU'RE TICKLING ME!

I BEGAN TO SUCK HER LIKE A MADMAN. I DIDN'T CARE HOW RISKY IT WAS.
I WAS INTOXICATED!

1/1/11
L. 36

TO MY MIND, HAPPINESS COMES IN QUICK FLASHES THAT DON'T LAST LONGER THAN AN ORGASM, AND FOR THAT REASON, YOU HAVE TO LIVE THEM WITHOUT REGRET.

WITH MIRANDA I FELT RENEWED, FACING A NEW ROAD TO EXPLORE AND FREED FROM MELBA'S BITTERSWEET CHAINS.

I DIDN'T LET ANY DOUBTS CLOUD THESE MAGIC MOMENTS. BECAUSE, ACTUALLY, MIRANDA WAS A STRANGER.

JUST THEN I REMEMBERED MY INCREDIBLE HONEYMOON WITH MELBA, WHEN EVERYTHING WAS PERFECT.

I'D ALMOST FORGOTTEN I WAS A FREE MAN!

NOW I COULD GO AFTER ANY WOMAN. I'D GOTTEN MY BALLS BACK, I COULD ACT MACHO WITHOUT ANYONE STOPPING ME.

31

THEY SAY THAT WOMEN ENJOY IT MORE WHEN THEY'RE RELAXED AND HAPPY.

I WAS REALLY GETTING OFF, BUT SOMETIMES MELBA APPEARED IN MY MIND WITH A DISAPPROVING GESTURE.

FUCK ME!
FUCK ME!

IF SHE COULD SEE ME NOW, WITH THIS EASY RIDER IN HER FAVORITE SEAT!

FUCK ME!!

FUCK ME!!

FUCK ME!!

MIRANDA'S MOUTH WAS SWEET, BUT THIS BEAUTIFUL BITCH WASN'T MADE TO BE LOVED.

SUCK IT UP!

HER PAST WAS CRAZIER THAN MINE. HOW MANY DICKS HAD SHE SUCKED?

YES!!

YEEES!!

YEEESS!!

AT LEAST THE OPTION MELBA
HAD OFFERED WAS LEGITIMATE.
IT WAS A KIND OF SELECTIVE
CASTRATION, DENYING ME MY
NATURAL URGE TO CONQUER.
BUT I WASN'T READY
TO GIVE THAT UP YET.

AAH!... AH!... AAH!... I'M
GOING TO COME!

AHH...
AH... AAAH...
AHH!!

WITH MIRANDA, I RECOVERED
MY MANHOOD.

I WANT
MORE. GIVE
IT TO ME!!

UHH!...
UHH!

YES!!
HARDER!!

MIRANDA AND I WERE CELEBRATING.

1/26/00
39

LATER SHE ASKED ME TO FINGER HER TUNNEL FOR SOME NEW SENSATIONS.

OF COURSE SHE WOULDN'T CONSENT TO A REAL ASS-FUCK, BUT SHE LIKED PLAYING AT IT AND THE JUICES FLOWED.

AFTER THE FINGER JOB SHE HAD TO GO URGENTLY TO THE JOHN. I TOOK ADVANTAGE OF THE MOMENT TO INVESTIGATE.

I'D FORGOTTEN TO EXPLAIN CERTAIN DOMESTIC DETAILS.

THERE'S SOME NEWSPAPER ON THE FLOOR. YA KNOW, I SHIT IN THE FIELDS AND USE ROCKS TO WPE MYSELF!

YOU MEAN THAT EVERY TIME NATLRE CALLS I HAVE TO FIND A BUSH?

THIS IS NO WAY TO LIVE! TOMORROW WE HAVE TO BUY WHAT WE NEED TO CLEAN THIS PLACE UP!

I FILLED IN THE HOLES AND CHANGED THE WINDSHIELD.
WE DECIDED TO POSTPONE OUR "CRUISE"
FOR A WHILE.

WE FUCKED LIKE SAVAGES. MIRANDA DEMONSTRATED
HOW MUCH OF A SLUT SHE WAS.

YOUR
PUSSY IS
BURNING UP. I'M
GOING TO FUCK
YOU SILLY!

WE STOPPED IN SMALL VILLAGES TO FUCK AND FUCK
WITHOUT STOPPING.

HARDER!
HARDER! ALL THE
WAY!

I'M GOING TO
TEAR YOUR HOLE,
BITCH!

YEEES! I WANNA
FEEL YOUR BALLS
SLAP! YEEES! OOH!
AAAH!

ONE NIGHT...

I'VE GOT A
SURPRISE...

SHE HAD ON SOME CLOTHES THAT MELBA LEFT.

TAKE THOSE
OFF. NOW!!

I FOUND
THEM IN YOUR
CLOSET. I'M
WASHING MINE
AND I DON'T
HAVE ANY
OTHERS.

SO WHAT'S THE
STORY? ARE YOU A
TRANSVESTITE? WITH
YOUR LONG HAIR AND
THIS SKIRT, YOU MUST
LOOK SWEET. HEE,
HEE.

I WAS PISSED OFF, SO I DID A NUMBER ON HER ASS.

OW- OOOOW!
STOP! YOU KNOW I
DON'T LIKE IT IN
THE ASS!

OUCH!
PULL OUT! IT
HURTS A LOT!

YOU SON
OF A BITCH! DIDN'T
YOU HEAR ME?!

IF YOU DIDN'T
LIKE IT, YOU'D PULL
AWAY!

LET ME
GO OR YOU'LL
BE SORRY!

MIRANDA LEFT THAT SAME NIGHT.
SHE DIDN'T NEED ME ANYMORE.

THEN I EXPERIENCED THAT WONDERFUL FEELING.
FREEDOM! THE RIGHT TO DO WHAT I WANTED,
THE TOTAL LIBERTY TO CHOOSE, TO ENJOY
INDEPENDENCE IN ALL MY ACTIONS.

I THINK I ASS-FUCKED MIRANDA TO GET RID OF HER.
I WANTED TO BE FREE OF ANY RESPONSIBILITIES.

LONG LIVE
FREEDOM!

I SAID TO MYSELF: "I DON'T BELIEVE IN COUPLES. EVERYTHING STARTS OUT GREAT, WITH PROMISES AND SWEET WORDS, AND IT ENDS UP WITH INSULTS AND SEPARATION..."

I'M A SOLITARY MAN. I WAS BORN TO BE A BACHELOR! I'M HAPPY LIKE THIS... THERE'S NOTHING ELSE... PERIOD!

"COUPLES DON'T GET ALONG BECAUSE PEOPLE ARE DIFFERENT, WITH DIFFERENT TASTES AND IDEAS..."

"SOONER OR LATER THEY CLASH AND THEN COMES THE EXPLOSION. AND IF THEY DON'T SEPARATE, THEY HAVE TO PUT UP WITH EACH OTHER FOR THE REST OF THEIR LIVES..."

"I ONLY LOVE ART, NATURE AND THE AMERICAN LANDSCAPE..." UNTIL ONE DAY...

I MET BERNICE WHILE I WAS PAINTING. BERNICE HAD SO MUCH IN COMMON WITH ME THAT I BEGAN TO DOUBT MY THEORY.

FATE
HAS BROUGHT
US TOGETHER, TO
MAKE EACH OTHER
HAPPY, MY LOVE.

MM...
YEAH.

WE'RE MADE FOR
EACH OTHER. I KNEW IT THE
MOMENT I MET YOU.

SAME OL'
STORY...

I LOVE IT IN
THE BACK DOOR,
MMM...

PUSH!

PUSH!

PUSH!

I'VE ALWAYS RUN AWAY FROM RESPONSIBILITY, ENJOYING
ONLY THE FUN PART OF A RELATIONSHIP...

AND DESPITE THE BEAUTY OF THE LANDSCAPE AWAITING
ME EVERY MORNING, I CAN'T HELP BUT THINK THAT LATER,
THE COLD NIGHT WILL FALL AND COVER MY HEAD WITH
SNOW. I FEEL SO ALONE. FUCK!!

I MET HER IN FOREIGN LANGUAGE SCHOOL. SHE WAS A MODERN GIRL WHOSE FAMILY CAME FROM HONG KONG. I NEVER IMAGINED THE SENSUALITY BEHIND THOSE ALMOND-SHAPED EYES, THE PROMISE OF THOSE FULL LIPS.

WE GOT ALONG GREAT FROM THE BEGINNING. OUR CONVERSATIONS WERE EASY AND PLEASANT, HER VOICE, BEAUTIFUL MUSIC THAT TRANSFORMED INTO A CAPTIVATING, MELODIOUS LAUGH.

IN A SHORT TIME WE HAD A FANTASTIC RELATION GOING.

NEITHER OF US WANTED TO COMMIT OURSELVES, BUT WE BECAME LOVER-FRIENDS, THOUGH THAT MAY SEEM HARD TO BELIEVE

I LOVED TO LICK HER BODY, SOFT AND SWEET, LIKE THE SCENT SHE GAVE OFF. SHE TOOK IT LIKE A SLINKY, PURRING CAT, SOMETIMES MAKING LITTLE YELPS OF PLEASURE THAT ONLY RAISED MY TEMPERATURE.

SHE THRASHED AROUND THE BED LIKE A BITCH IN HEAT, GROWLING AND HUNGRY, DELICATE AND FERCE. SHE WAS IRRESISTIBLE.

OHH!
COME ON BABY.
STICK THAT IN
ME. I WANT IT
SO BAD.

I COULD PASS HOURS LICKING HER ASS AND SUCKING HER JUICY PUSSY. IT FLOWED LIKE A FOUNTAIN.

YOU BETTER BELIEVE I STUCK IT IN. TO THE ROOT. I FELT HER WAVES OF PLEASURE

OOOHHH!!!
Yes...please,
push!

TAKEN BY FURIOUS UNCONTROLLABLE LUST, I DROVE MY COCK INTO HER. I WANTED NOTHING ELSE IN THE WORLD THAN TO FUCK THAT WOMAN, AND I DID, SAVAGELY.

AAAHH!!
KEEP GOING
DON'T STOP.
JULNH!!

SHE NIBBLED MY COCK, SHE SUCKED ON IT LIKE IT WAS A DRIPPING POPSICLE.

WITH HER FLESHY LIPS AND HER SOFT, HOT TONGUE.

SHE MOVED HER SLICK LITTLE BODY, WHIPPING HER ASS AROUND AND SHIMMYING AGAINST ME. AND ME TRYING TO CONTROL MYSELF.

UUNHH!!
My GOD!!!

oohh!!
GOD!!...MMHH!
FUCK ME, FUCK ME
GOOD, ALEX

NEEDLESS TO SAY, I ALWAYS PAY ATTENTION TO A WOMAN'S WORDS. AND IF SHE ASKED ME LIKE THAT, WHO WAS I TO ARGUE? SO I PUT A LOT OF EFFORT INTO GIVING HER WHAT SHE WANTED

FINALLY I EXPLODED IN HER BEAUTIFUL FACE WITH A SHOT OF CREAMY CUM SHE ADORED IT.

MY LANDLADY. FIVE HUNDRED MEGAS OF SEXUAL DRIVE, WITH A VOLUPTUOUS BODY THAT EXHALED SENSUALITY THROUGH THE PORES OF HER SKIN. SHE ALWAYS CAME TO COLLECT THE RENT IN PERSON, OF COURSE.

YOUR COCK.
MMMMH.

HER HUGE MOUTH, WITH THOSE THICK LIPS, WAS LIKE A HOT, HUMID CLINT, TRAPPING MY COCK AND DEVOURING IT. SHE WAS NEVER SHY ABOUT HER INTENTIONS.

WE FUCKED SO INTENSELY THAT I HAD TO MAKE AN EFFORT NOT TO COME TOO FAST. HER WILLING BODY SEEMED TO FILL THE AIR WITH SEXUAL ENERGY.

OOOHHH!!
YEEES...HARDER,
HARDER...
UUNK!!

SHE MOVED OBSCENELY, SCREAMING LIKE A MADWOMAN AND SHAKING HER GORGEOUS BLACK HAIR. I ALWAYS FELT SHE WAS THE ONE IN CHARGE.

MS. RICCI SURRENDERED TO HER WILD ORGASMS. SHE, MORE THAN ANYBODY, KNEW HOW TO ENJOY THOSE INTENSE, BURNING MOMENTS.

ahuhahuh...
...OH...GOD, I...
I'M COMING, BOY,
I'M COMING...
uUngghh!!

SHE GOT OFF IN THE NICEST, HAPPIEST WAY. AFTER THAT FIRST ONE, WE FUCKED ON AND OFF FOR SOME TIME. I EVEN SAVED A FEW DAYS ON THE RENT.

Wow! That's one
FOUNTAIN OF HOT
JIZZ!!

Claire Dubois

PARISIAN, LIBRARIAN. SHE SEEMED COLD, DISTANT, AND PURITANICAL. A STRAIGHT, PRUDISH BITCH. WE MET WHILE I WAS IN THE CITY AND HAD TO USE THE LIBRARY OFTEN.

COME IN BACK, I WANT TO SHOW YOU SOMETHING I THINK YOU'LL LIKE.

IN NEXT TO NOTHING SHE TURNED INTO A FRENZIED HYPERFUCKER. WE DID IT IN THE BACK, AMONG THE DUSTY BOOKSHELVES, HIDDEN IN THE DARK AND CRAZY WITH LUST.

IN MOMENTS OF INSPIRATION IT SEEMED LIKE SHE WAS GOING TO TEAR OFF MY COCK AND KEEP IT FOR HERSELF, LIKE IT DIDN'T BELONG TO MY BODY.

OOO...
NO...NO...YES.
OOH, DAMMIT, HOW GOOD THAT FEELS.

SHE SEEMED TO BE DEBATING BETWEEN HER MORAL CONVICTIONS AND THOSE NEWLY DISCOVERED PLEASURES, WHICH BEFORE HAD BEEN DARK AND DIRTY IN HER MIND.

FINALLY, IT ALL TURNED INTO AN ORDEAL FOR HER. IT WAS AN IRRESISTIBLE DRUG OF OBSSIVE DESIRES AND VIOLENT CLIMAXES. I DIDN'T MIND BEING HER VICTIM.

I'LL NEVER FORGET THAT FINAL MOMENT WHEN I CAME OVER HER BEAUTIFUL, PROVOCATIVE FACE. SHE ACCEPTED MY STICKY CUM LIKE SOMETHING SHE'D BEEN LONG WAITING FOR.

Angela Merce

HEAD BUYER FOR A BIG DEPARTMENT STORE. I MET HER THROUGH A BUSINESS CONTACT. GORGEOUS WOMAN WITH A SCULPTURAL BODY, WHO BEGAN A RELENTLESS CAMPAIGN TO GET ME IN HER BED.

IN HER APARTMENT SHE HUMILIATED ME, TREATING ME LIKE A PIECE OF MEAT, A SEXUAL OBJECT, A DAMN STUD. I HAVE TO ADMIT, SOMETIMES IT BOTHERED ME, BUT OTHER TIMES, NOT SO MUCH.

SOMEHOW I WAS ATTRACTED TO HER CHARACTER AND WAY OF BEING. I WENT ALONG WITH IT.

HER BLOWJOBS WERE IMPRESSIVE, THOUGH SOMETIMES SHE HURT ME WITH HER SQUEEZING AND SCRATCHING. SHE WAS AS HORNY AS ANY MAN AND WENT CRAZY WITH HER FANTASIES

WE FUCKED FOR HOURS, TRYING ALL KINDS OF NEW POSITIONS AND GAMES. WE WERE ALWAYS HOT. MAYBE I'M A LITTLE MASOCHISTIC, BUT I WAS COMPLETELY TURNED ON BY HER. I LIKED BEING THE VICTIM OF HER OBSESSIONS AND HER CRAVINGS.

SHE WAS A BEAST BEYOND WORDS. NOBODY WOULD'VE BELIEVED IT, COMING FROM THAT POLITE YOUNG LADY, SO WELL DRESSED AND WITH SUCH A NICE JOB.

OOOHH!!!

WHEN IT WAS OVER IT ALL SEEMED A LITTLE FRUSTRATING AND DESPERATE. IT ENDED AS FAST AND AS PASSIONATELY AS IT STARTED. THE WOMAN WASN'T AT ALL SUBTLE

Adeline

FOR A TIME SHE WAS MY ASSISTANT. ONE DAY I CAUGHT HER FINGERING HERSELF ON MY SOFA AND AFTER THAT WE FUCKED ONCE IN A WHILE. MAYBE SHE WAS MORE FASCINATED BY MY REPUTATION THAN BY ME, BUT SHE NEVER HELD BACK.

Irina Moskova

A RUSSIAN STRIPPER WITH FIRE IN HER VEINS. SHE LIKED TO FUCK AFTER EACH PERFORMANCE. I THINK THE APPLAUSE AND SHOUTING FROM THE AUDIENCE GOT HER HOT. I MET HER AT A GET-TOGETHER WITH FRIENDS.

Rosie & Pauline

LESBIANS AT THE BEACH. THEY WERE FRIENDS OF MINE ON VACATION AT THE COAST. I NEVER FUCKED 'EM, BUT THEY WERE TWO SUPER-EXCITING WOMEN WHO DIDN'T MIND DOING IT IN FRONT OF ME. THE BRUNETTE GAVE ME A BLOWJOB ONCE.

Margaret Tish

BRITISH, KIND OF A SNOB. SHE'D HEARD OF ME AND WANTED TO KNOW ME PERSONALLY. FIRST SHE WAS SKEPTICAL AND DISTANT, BUT THAT SOON CHANGED TO GREEDY PASSION. SHE SUCKED ME OFF IN THE WEIRDEST PLACES AND LEFT CUM ON HER FACE TO NEEDLE HER FRIENDS.

Sister Mary virtuous

AN UNSETTLING EXPERIENCE. SHE HARDLY KNEW ANYTHING ABOUT SEX. I MET HER BY CHANCE AND WE STARTED UP A FRIENDSHIP. HER HANDS SHOOK AND SHE BLUSHED WHEN WE WERE TOGETHER. WE ENDED UP IN THE BROOM CLOSET AND I BAPTIZED HER.

Alba Saint

QUEEN OF THE TOWN PARTIES, SHE HAD NO SHAME. A HOT CLASSY GIRL, DAUGHTER OF A COLONEL. SHE INSISTED ON FUCKING ME DRESSED LIKE A QUEEN. WHAT CAN YOU DO? I GOT OFF GETTING HER DOWN AND MESSING UP HER GOWN (HEY I'M A POET).

Frankie comes in Hollywood

"Oh, the first love— it's like another fucking ordinary love. Only it's the first."
—Frankie Nitti—

I opened my eyes and saw a filled mouth. Her lips move with a rhythmic and careful friction on my cock, which doesn't seem to be too ready for her unexpected horniness to end. While I shut one eye halfway, the other lingers, contemplating the scene, and the result is as tactile as it is visually exciting.

The girl is very young, she's got to just barely be twenty. She's got short, unruly hair, like a mess of wild curls. She's got a really pretty face, I think. From this angle I can't really tell, and I've always had problems with remembering faces from the night before.

Her hand grabs my cock like it's a joystick and she's playing a *Star Wars* video game. She lurches here and there while she goes up and down, keeping time with her mouth. I notice the nails of her thick fingers have been bitten. I like that too. Hmmm, she sucks a mean cock. I was about to say "for her age," but that's because I've already forgotten how girls my age were years before this sweetie came onto the scene. Ah, now I remember. It was in my uncle Alex's club. Yesterday we celebrated his birthday. Lots of old friends, or at least old acquaintances, classmates, drinking buddies, family members, rivals and maybe even a few enemies were there, although I didn't recognize them. I saw lots of faces that reminded me of a past already remote, but when in my happiness to remember how far away my beginnings were, I tried to get back inside my memories, and so I was beaming with a multipurpose smile that didn't invite anyone to get all buddy-buddy with me or invite the recall of any bad collective memories. I basically set myself to emptying my glass, which is the best thing for me to do at parties: that and bait my hook for all fish out there. Then the girl came in. She was wearing a tight red dress with deep pleats, which didn't automatically divert your eyes to her tits, but

instead drew them down continually, in perpetual motion like the eternally moving waterfalls on one of those Chinese restaurant screens. That's the way my eyes moved, until they were swimming upstream in the river and met hers, which weren't bad at all.

I lean on the cold side of the pillow. I can see her better like this—pleasing me. I couldn't make this shit up (and you wouldn't expect anything less of me). I can't really tell what color her eyes are—yesterday they were brown or blue, depending on the light and how much whiskey I'd drink—, because they were focused downward, as if she didn't want to lose sight of my dick—right in the middle of her forehead—, like a hen hypnotized before a cock. But from here I can tell—and as I'm beginning to remember—that she's got one of those button noses that drive me crazy. Meanwhile, I stick a finger in her ass and sniff it—smells nice—, passing my other hand over her bare skin (her ass is as firm as age, genetics and luck allow), I try to recreate a mental image of her from yesterday, which seems clearer than the image I have of her today with my hungover eyes: yes, she was a big girl with strong, broad shoulders, a full face, healthy lungs, thick lips, and a tiny button nose. Right now those lips are wrapped around my cock. I wet my index finger with spit again and slip it little by little into her ass. She responds by caressing me like an egg. I shiver like a wet baby. I love it and I show it by giving her ass a few hard slaps. And once more, while I look at her, I tell myself what I like most about women are all those little things about them retained by my subconscious. They're always things they can't see themselves. peach fuzz on the back of a neck, a beautiful hollow at the small of the back, a moist instep, a pussy lip curling away from her ass...if they knew how lovely they were, they'd stop being so concerned with the unimportant things about their appearance.

I'm trying to remember how I picked her up. Then I'm comforted to remember that she was

the one who picked me up. I did absolutely nothing. She asked me for a whiskey; I was delighted to do it, and in two minutes we were laughing and joking about everyone around us, a sensation that only whiskey provides, the feeling of laughing at a bull from behind a fence.

—You remind me of someone—I told her. I remember saying that. But who?

I get distracted again, because I'm about to come. Now she's the one who, on her knees, sticks her finger in my ass while she shakes my cock like it's a bottle of champagne. Careful with the magic lamp, I think. Her little titties bob up and down, too, like comrades nodding their heads at the achievement their mistress is working for. I look at her pussy with nostalgia, which is shaved, because it's a small, tight pussy, like the kind I like and because at the pace she's going, I'm afraid I won't be able to get inside it: at my age, I'm not up for lots of games—one trick's more than enough. You can't pop the cork out of an old bottle of wine more than once.

So it comes to me, just before I come, who she reminds me of. Vera. My first love, fuck. I still have a bit of that woman inside my soul. She was so great. What happened to her? Now I remember, I left her pregnant a few months before I enlisted in the Marines, even though I offered to pay for the abortion. And I thought she'd without a doubt accept my offer. I remember the night before I left I told her that I loved her. That was the least I could have done, given the circumstances and the way she was looking at me.

You know who you remind me of? I asked the girl between orgasmic twitches. I perceived that she said "uh-huh," an emphatic and surprising affirmation followed by a name along the lines of "bastard" or "asshole." But that was what I felt—an enormous bite before my orgasm. I screamed with pain and pleasure and felt a flood of fluid flow from my insides to the jaws of the murderous shark, but I don't know yet if the fluid's red or white.

Then, I don't know why, I did a mental rewind and understood that she hadn't said "uh-huh," but "of you." Now I know where she got her eyes.

Oh, familial revenge... look what I told her to abort.

Pleasures of the Mail

by Walter Pacifico

I get out of bed, toss an alka-seltzer in a glass, and check e-mail: "Sorry, you have no mail". I chug the seltzer, fix a sandwich, I stub my toe on the side of the kitchen floor's marble tile, I jump in the shower and check e-mail again: "Sorry, you have no mail". I put on a faded shirt and a pair of red pants, I get out on the street, I have a croissant and an espresso for breakfast and walk up to my house with a loaf of bread tucked under my arm. I check e-mail and nothing, I check e-mail and nothing, and it's the same thing again after that. Okay, why so much mail before and now so little? Don't tell me your initial enthusiasm's cooled, because I assure you that mine hasn't. Luckily, there are still people out there who love me and write me. I should tell you that the mail refers to previous issues...or things like those that follow. You'll see...

FROM: Tim
SUBJECT: My aunt

What did you think about the drawing I sent you as an attachment? The model is my aunt Mary. Don't get me wrong, I don't have any fringe benefits with her (sigh, too bad). We've got a solid friendship and she's known for a while now that she drives me crazy. Nevertheless, the only thing I've been able to get her to do so far is to pose nude for me once in a while when my uncle and my parents aren't at home. I suppose she's a cautious exhibitionist who just had to cross paths with an incurable voyeur, but I'm not really sure she'd like seeing some of these drawings published in your magazine. Sometimes she gets excited to the point of...I'd better not disillusion myself. Since my stuff's amateur work and the girl may not look the way she should in my drawings, I'm also attaching a photo. So, is it good or not? One last thing I almost forgot, Walter. French Kiss mania is contagious. Just a while ago I discovered that someone moved my issues around. What I mean is that someone's digging into my collection and even though I have them hidden, after they've read them, they don't leave them the way I had them. Plus, there's another Frenchkisser and he, I mean, she's a big fan. And I think this fan is my mom, although I'm not one-hundred percent sure. Isn't that incredible? I'll keep you informed. Cheers
Tim

You weren't content with sending me that bit of a photo, so you went further and showed me what you mean by exhibitionism. Well, I want to make one thing clear. If someone in the editorial office saw me get up and sprint to the bathroom after opening your e-mail, it was only because I had to take a pee. So, what's up? I had to pee, and that was all it was, okay? No. Actually, that wasn't all it was. There's one more thing. Listen, just between us...your aunt, your aunt...does she have a phone number where I can reach her? As far as the mysterious person rifling through your collection, how about leaving a subscription slip, cut out and

ready to send in on top of your pile of magazines? And next to it, a note that says something like: "Come on, don't be shy. Fill in the necessary information. We should've done this earlier."

FROM: Z.
SUBJECT: Better every day

Hello gentlemen of the dark side, masters of the victories of the flesh and the sensual pleasures, hello Walter.

I'm re-reading your pages again after a bit of a break (obligations of the carnal kind) and I'm discovering that each time I read, I like the magazine even more. Congratulations on your excellent graphic work. It's encouraging to know that you keep at it from issue to issue with the best gift for the body and the six senses (the sixth is the one that comes alive when I get my hands on a copy of French Kiss). Stay the same, and change only to get better (like you do with each issue).

Thanks a ton, guys,
Z.

And thanks to you, Z. We hope that you re-reading our pages and you liking us more and more each time hasn't forced you to ignore your responsibilities. And if you have, then that's fine with us too, since it's for a good reason.

FROM: Tori
SUBJECT: No time!

I love the magazine, I love reading the letters and it gets me hot, but no, I'm not going to give you my opinion on each and every bit. I love it all, but I can't dedicate myself to you and my boyfriend at the same time. I hope that you understand where I'm coming from and you'll forgive me, but my body and soul (more than anything, body) belong to him.

Kisses for everyone from your biggest admirer,
Tori

Our sincerest congratulations on your new status as our biggest admirer, and we hope for you that this thing goes on forever, if it can. Having said that, concentrate on your man and lend him your copies of French Kiss, 'cause you know, sharing is loving. Enjoy them together. We'll consider your silence on the other end of the cable line as a sign that all goes well, but don't get completely blinded by love and abandon the pleasures we offer you. If things go sour later, you'll see how uncool it is to find your collection incomplete and worse still, to remember the reasons why it is. These things hurt, and I tell you that from my own experiences.

FROM: Lee Lucas
SUBJECT: To whom it may concern

Hi,
I read that you'd like us to tell you what it does for us, and that you want us to write you with our opinions and all that. So here's some things I'd like to see in the magazine:

-A section of classified ads to buy, sell or exchange things

-A personals section
-More reader participation in the magazine.
-French Kiss parties on the weekends
-New themes, like incest, zoophilia, transsexuals, etc
Sincerely,
Lee Lucas

Thanks for writing. Everything you say concerns everyone here. By the way, what were you thinking about selling, buying or exchanging in the hypothetical classifieds? I should let you know that trying to sell your wife is against the law. Regarding increased reader participation, I'm completely with you on that, but it's up to the readers to put their two cents in. In other words, everyone write me! As far as the themes you propose go, let's move on to the next letter and you can see our response to both you and him...

FROM: Jerry Lalonde
SUBJECT:

Hey Walter,
I'll spare you the overused compliments to talk about your mag, because at this point the whole world knows that in the States, there's never been an erotic publication of the same quality as yours since...well, I don't know when. Anyhow, I've got some questions.

-About story topics. Have you ever thought about conducting a survey about that? Are there taboo themes? Some themes never appear in the magazine, like sex with pregnant women, incest, zoophilia, etc. For example, I don't like stories about transvestites or ones about lesbians and gays.

-Would it be possible to work with you? I'm not talking about paid work. I'm talking more like a page or two for readers' drawings or stories. I guess you get a ton of mail, but I'd really like it if you ran this letter. I want other readers to see stuff readers send in and share their thoughts on it. After all we'd feel like the magazine would be more ours.

Thanks a bunch for reading my letter
Jerry Lalonde

Exactly for people like you who tell us that they don't like stories with transvestites, we try to keep themes relatively mainstream. Yeah, there is and there always will be an infinite variety of topics, girls, guys, settings and stories for all tastes, but it's not likely you're going to see an old geezer getting it on with a little girl on these pages, for example. Young, yes. Underage, no. We keep to the middle of the road so that we won't be misunderstood.

So now I've finished my section and now I'm sitting here stuck to my computer screen, keeping watch over my Inbox, which I hope will fill up progressively with more and more e-mails from everyone on the other end of this magazine. Be good and write me a few lines, because waiting for mail makes my hours longer than a day without sunshine!
